

DEPARTMENT OF FINANCE BILL ANALYSIS

AMENDMENT DATE: April 5, 2010
POSITION: Oppose

BILL NUMBER: AB 2458
AUTHOR: L. Saldana

BILL SUMMARY: Taxation: Penalties: LLCs

This bill would specify that in the case of a "small business" the 10-percent penalty for underpayment of the estimated Limited Liability Companies (LLC) fee, or the penalty for failure to file a timely information report as specified, would be due and payable 60 days from the date of notification. This bill would define a "small business" to be a business whose total income attributable to California from all sources to be less than \$1 million for the taxable year.

FISCAL SUMMARY

The Franchise Tax Board (FTB) estimates the revenue loss resulting from the delay in penalty collections at less than \$150,000 per year.

Costs to the Department have not been identified and will be provided as the bill moves through the legislative process.

COMMENTS

Finance opposes this measure as it would result in revenue loss to the General Fund in the range of \$150,000 annually at a time when the state faces continued fiscal difficulties.

ANALYSIS**A. Programmatic Analysis****Under existing state law**

An LLC not classified as corporation must pay an \$800 annual tax and a fee if it is organized, doing business, or registered in California

The annual fee is based on the LLC's total income from all sources reportable in this state and is determined as follows:

Income from	To	LLC Fee
\$250,000	\$499,999	\$900
\$500,000	\$999,999	\$2,500
\$1,000,000	\$4,999,999	\$6,500
\$5,000,000	And over	\$11,790

As of tax year 2009, the annual California LLC fee must be estimated and paid by 15th day of the sixth month of the current taxable year. Any LLC fee due that was not paid as an estimated fee payment is payable by the due date of the LLC return, which is the 15th day of the fourth month following the end of the tax year.

If the estimated payment is underpaid, and is less than the fee that was due the previous taxable year, a 10-percent penalty is imposed on the amount of the underpayment on the day the fee is due.

Every domestic and registered foreign liability company and corporation is required to file a Statement of Information with the Secretary of State as specified. Failure to do so results in a \$50 penalty in the case of nonprofit Public Benefit Corporations and nonprofit Mutual Benefit Corporations, and a \$250 penalty for all other LLCs and Corporations.

This bill would do the following:

Specify that for a "small business" the 10-percent penalty for the underpayment of the estimated LLC fee will be due and payable within 60 days from the date the LLC was notified of the penalty. The 60-day due date would also apply to penalties imposed on a "small business" for not filing a timely statement of Information with the Secretary of State.

Define a "small business" to be a business whose total income, attributable to California from all sources, is less than \$1 million in a taxable year.

Apply to penalties imposed or assessed on or after January 1, 2011.

B. Fiscal Analysis

The FTB estimates the revenue loss resulting from the delay in penalty collections at less than \$150,000 per year.

Costs to the Department have not been identified and will be provided as the bill moves through the legislative process.
